

Pupil Premium Statement – Total for 2017-18: £7180

Our pupil premium grant for the year 2017 -2018 is £7180. At this stage our spending has so far been allocated to Teaching Assistant support, SENCO support and the setting up of a Nurture Group.

Swimming Support £200

Trips £480

Forest Schools £500

These activities are very important to the development of young people, teaching them skills we cannot teach in the classroom.

SENDCo support

£1000

Teaching Assistant Support

Learning Mentor/THRIVE role

£4500

We are going to purchase IT software to support our learners.

£500

The majority of the Pupil Premium budget is allocated to TLA support for intervention groups, including our THRIVE nurture group. We will also be purchasing some IT software to support writing for those children who have difficulties.

Some financial support is given for swimming lessons, visits and Forest schools work as these are a key part of the curriculum and something that we cannot provide in the classroom.

SENDCo support is provided to monitor progress and support the delivery of the intervention strategies.

There are no pupils in KS1 who receive Pupil Premium funding and due to the small numbers of pupils in KS2 the impact of the funding in KS2 cannot be reported due to data protection.
