| | | Total Spend: £6597 |

April 2017 – August 2017

Funding: £3481

- | | | |
|---|-----------------|---------------------------|
| • After school sports clubs for Years 1-6 | Terms 5-6 total | £1300 |
| • Chailey Secondary School support for PE (to be confirmed) | | |
| | | Total spend: £1300 |

Impact of Spending

- The children have been offered a wide range of clubs to participate in, including archery and fencing. This allows the children to develop their skills and experience a wider range of sports. There are currently 48 out of 67 pupils signed up for sports clubs.
- Year 3 and 4 have swimming lessons with smaller group sizes to allow for more focused teaching and learning.
- The Golden Mile is a sustainable and measurable health and physical activity initiative which engages the children in daily physical activity habits across the week, every week, all year round. The children will benefit from regular physical activity to promote both mental wellbeing and physical health (including a promotion of healthy weight, enhanced bone and muscle strength and reducing time spent sedentary).
