## **This Week**

Hello Dragonfly Class! I have been so pleased to see so many of you managing to get connected on Class Dojo this week. If you haven't managed to get online yet, please ask a parent to help you. It has been wonderful to see all of the writing and maths you have been doing. Not to mention all of the creative work you have been doing such as artwork, science experiments, cooking and gardening! I too have been doing some gardening this week. I have planted some tomato, strawberry and carrot seeds which are growing well on my kitchen windowsill. I haven't done much gardening before so I'm enjoying having the time to do it and if you have any good gardening tips then please do share them!

Have you enjoyed spending time with your family and pets this week? My cats, Teddy and Stanley, are enjoying having extra cuddles but this week Stanley has been very naughty. He has brought a mouse and a pheasant (which was alive!) home to us!

The sun has been shining this weekend and I know it is hard not to go and play with your friends so I'd like to say a big thank you and well done to everyone for staying home again this week. Plus an even bigger thank you if your parent is a key worker and is continuing to work during this time. If you find you are having a tough time for any reason, children or parents, then please do contact us and we will do our best to help.

Have a wonderful Easter. Miss Walters x

### **Stars of the Week!**

Tassy

Tassy has been very creative this week with her gardening, artwork and doggy yoga. Tassy and her sister chalked a giant rainbow outside their house for all the other children to enjoy. Well done Tassy!

This week, Benjamin created a fascinating powerpoint all about Rugby for his Foundation Friday Project. It was full of interesting facts and information! Fantastic!

Benjamin

### **Assignments**

1. **Spellings 2** – Complete by Sunday 12<sup>th</sup> April
2. **Easter Assignment** – Choose 1 activity per week to complete or more if you wish! Decide which activities you would like to complete with a grown up and only use things you already have at home.

# NEWSLETTER

## Think about it...

## Science with Maddie Moate on Youtube!

Science and nature with Maddie Moate for free! Maddie is filming fascinating videos with activities you can join in with. A great daily learning resource.

Join Maddie live on youtube, weekdays at 11am.

## Just a reminder...

- If you haven't already created your student account on Class Dojo then please do so. If you're having trouble connecting then let me know or email the school office.
- New Spelling test now on Class Dojo. Please practise through the week before completing your test.
- As this week is the start of the Easter holidays, there will not be a timetable set but you may continue to work on your projects or complete the work that your parents give you should they want you to continue with your home learning. A new spelling list is available and a special Easter Assignment.

## For the Parents:

Each week, our newsletter will be mostly aimed at the children but please do read it together and remember to check this section for any important messages for parents.

- **It is the start of the Easter holidays. There will be no timetable this week but if you would like to continue with home learning then please feel free to use the packs provided, Pobble 365 for writing and The White Rose Maths Home Learning Lessons. Alternatively, if you have chosen to have break from home learning then that is fine and we hope you have a restful and enjoyable week.**
- If you need to contact me this week then please do via Class Dojo.
