**Dragonfly Class**

**19/04/2020**

## **This Week**

Hello Dragonfly Class! We have reached the end of the Easter holidays and week four of home learning. Usually we would be preparing to get back to school but this week we will continue with our home learning. Lots of you have been showing me all of the wonderful things you have been doing at home and I really enjoy seeing them as I am missing school too. It is okay if you are missing being at school or seeing your friends but please make sure you talk to a grown up if you're feeling sad, worried or if you have any questions.

If you don't have a student account on Class Dojo yet, please do get connected if you can!

Great news...Mrs Roberts is back! Throughout this week, Mrs Roberts and I will be giving each of you a call to say hello! It is a chance for you to have a chat to us, ask us any questions or just say hello!

## **Stars of the Week!**

**Archie H**

Archie learnt to play golf with his Dad this week. The played a game to see who could hit the ball into the bucket first. Who do you think won?

**Julian**

Julian created a town using cardboard for their new born chick. It had lots of different buildings that the chick could go into and was very, very sweet! Such a wonderful idea Julian!

**Just a reminder...**

- **If you haven't already created your student account on Class Dojo then please do so. If you're having trouble connecting then let me know or email the school office.**
- New Spelling test now on Class Dojo. Please practise through the week before completing your test.

## **For the Parents:**

Each week, our newsletter will be mostly aimed at the children but please do read it together and remember to check this section for any important messages for parents.

- **Class timetables are back! Please Check Class Dojo or the Class Website.**
- If you need to contact me this week then please do via Class Dojo.

## Think about it...

And the people stayed home.  
And read books, and listened, and  
rested, and exercised, and made art,  
and played games, and learned new  
ways of being, and were still. And  
listened more deeply. Some  
meditated, some prayed, some  
danced. Some met their shadows.  
And the people began  
to think differently.

And the people healed.  
And, in the absence of people living  
in ignorant, dangerous, mindless,  
and heartless ways,  
the earth began to heal.

And when the danger passed,  
and the people joined together again,  
they grieved their losses, and made  
new choices, and dreamed new  
images, and created new ways to live  
and heal the earth fully,  
as they had been healed.
