| 11.30 – 12.00 Reading activity | https://6yellowclass.wordpress.com/2014/03/07/kensukes-kingdom-rc/ I shall scan the pages in aswell. | | | | |
| Read Chapter 9 Explain Kensuke’s feelings in the first few pages of the chapter. How is Michael feeling once Kensuke has said how he feels? | Read Chapter 9 Kensuke mentions the artist Hokusai. Do some research about him. Do you like his painings? | Read Chapter 9 What role do Kensuke and Michael in the hatching of the baby turtles? Why is this important? | Read Chapter 9 Vocabulary Choose 6 words from the chapter that you did not know before. Choose words that you think may be useful to remember to use in your own writing. Look up the meaning in a dictionary. | Read Chapter 9 What big decision does Kensuke make at the end of the chapter? What led him to change his mind? | |
| 12.00 – 1.00 | Lunchtime | | | | |
| 1.00 -1.30 | Reading for pleasure/listening to audible clips | | | | |

| Reading | | | | | |
|---|--|---|--|---|---|
| Bitesize Daily Video 1.30-2.30 Other areas of the curriculum | <p>This link is for the Bitesize Daily Video. This introduces different ideas that you and your child could follow up according to their interest. This is the link for Week 8 which is the latest week but there are lots of other weeks to pick from for your afternoon learning https://www.bbc.co.uk/iplayer/episodes/p089g0cc/bitesize-911-year-olds?seriesId=p08b2zlv David Attenborough is in episode 2 of week 7</p> | | | | |
| | <p>I have planned a week based on a tree project but if you prefer to do individual foundation subjects then use BBC bitesize instead.</p> | | | | |
| | <p>Trees 6 Collect a sample of leaves from your garden or local area. Use the leaf collection sheet below to record your findings.</p> <p>Do you notice any similarities between some leaves? E.g. leaves that are from plants that like sun? Leaves from flowering plants?</p> <p>Do you notice any differences? Can you sort them into groups?</p> <p>This video shows some children learning about different leaves they collect. https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-comparisons-between-different-types-of-leaves/zndb47h</p> | <p>Trees 7 Andrew Goldsworthy is a British artist who creates sculptures using natural materials. This is an example of his work.</p>  <p>Using the leaves you collected yesterday and any other natural items you find in your garden or local area make a sculpture.</p> <p>Take a photo of your work in case it rains or is windy tonight!</p> | <p>Trees 8 Lots of artists paint trees and landscapes. Many of Vincent Van Gogh's paintings are of trees and flowers. Here is an example.</p>  <p>You may want to look online for more examples of his tree paintings.</p> <p>Using either paint or coloured pencils can you do a picture of a tree in the style of Van Gogh? Of you may prefer to copy his picture. There is a larger version below.</p> | <p>Trees 9 Look at the tree identification PowerPoint. Using the information can you make a quick guide that you can use when you are out walking to spot the different tree types?</p> | <p>Trees 10 There are many different trees that grow around the world. Do some research online and find a tree that you want to find out more about. You may already have one in mind. The Kew Gardens web site is a good place to start if you are not sure.</p> <p>Draw/print a picture of your tree Where does it grow? Show this on a map. How many are there in the world? Is it endangered? Any amazing/unusual facts?</p> |
| 3.00 – 4.00 Quiet time | Puzzles, Drawing, writing for pleasure, Reading, colouring, play quietly, choose one of the education games to play, rest. | | | | |

Leaf Collecting

| Leaf Drawing | Where it was found? | Observations |
