Take one of your questions /subheadings and do some research.</p> <p>Write your research into a form that will work with your presentation choice e.g. a speech if you are making a video. Include some pictures.</p>	<p>Project 3</p> <p>Take two of your questions /subheadings and do some research.</p> <p>Write your research into a form that will work with your presentation choice e.g. a speech if you are making a video.
