The Magic of Fletching! Exciting News: We are delighted to inform you that, due to a high demand for places in Reception for September 2020, we will be creating a new 'Ladybird' class. This class will be for our new Reception children and will be taught by a new teacher joining the school alongside Mrs Trickett, our experienced Reception practitioner, who will be the Teaching Assistant working with them. The ladybird children will be taught together in the mornings and will then join with Caterpillar class in the afternoons led by Miss Herbert. Our new little Ladybirds will be taught

by Miss Herbert initially if the new Reception teacher is unable to start straightaway. It brings us all such pleasure to be able to welcome so many new pupils to our Fletching family. We believe this will give them the best of both worlds! Two lovely, small class groups in the mornings with a high level of adult support, and then the joy of all working together with Miss Herbert in the afternoons - making new friends, learning from others and being part of a larger community.

Reminder: Forest School Session: Don't forget that the children currently in Mrs Orwin's class in school will have their Forest School session on the morning of Tuesday 14th July. They will need to wear their Forest School clothes to school that day – don't forget wellies and raincoats/sunhats depending on the weather.

Annual School Reports: We are sending home children's school reports from today via the children if they are currently in school. Any children not in school will have their reports posted to them, unless they have a sibling in school.

These appointments will take place in the classrooms and we will of course ensure that we follow the social distancing guidelines. Further details to follow in due course.

Message from Ali Brown: *"Hello, everybody! How are you all doing? Looking forward to your summer holidays? It has been a really strange few months of getting used to a different way of life, hasn't it? I have SO missed coming in to school seeing you all! Maybe you have had a chance to see some of my recorded Collective Worship assemblies at school or join in with the live streams from St Mary's Church, Newick Facebook page? I'm hoping and praying that I will be able to see you all again at some point after the summer holidays! I hope that you have a safe and happy summer! Take care, Ali"*
