

Final Fletching Flyer of 2019-20

Year 6 Leavers: Thank you to all our brilliant Year 6 Leavers who have made such an incredible contribution to the life of Fletching School whilst they have been here. Although their final months with us may not have been the same as previous years, they have shown resilience and strength and been excellent role models to the younger children. We will miss them all.

Thank You from Miss Walters: Well done to all the Dragonflies – whether they were at home or in school – for helping to make their end-of-year film. We hope they enjoyed watching the end result!

'Picnic and Play': It was wonderful to welcome children from years 2, 3 and 4 to the school for a special socially-distanced picnic and play last Friday afternoon! They so loved being back amongst their school friends and in familiar territory. We can't wait to have everyone back in September.

Stop Press! New Staff at Fletching: We are thrilled to announce that Mrs Johnson will be joining us as our new Breakfast Club Leader from September 2020. We know that she will be fabulous. Miss Walters has been appointed as the new teacher for our brand new Ladybirds Class and she is delighted to be taking on this new role at Fletching. We have also recruited a new teacher to work in Dragonfly Class on Wednesdays, Thursdays and Fridays alongside Miss Hack. Her name is Mrs Holton and she is looking forward to joining us. This is such an exciting time for Fletching School with a record number of new children joining us in Reception and in other year groups in September! The magic of Fletching continues...

School Lunches: Please note that Chartwells is increasing the cost of the meals for children in years 3-6 from £2.05 to £2.10 from September 2020. Ladybirds, Caterpillars and Dragonflies will be able to have a hot lunch if they choose, but Grasshoppers will have to choose from the packed lunch menu initially as they will be eating in their classroom. The menu is being sent home via Parentmail. Meals will continue to be free for children in years R, 1 and 2 as well as those in receipt of Free School Meals.

Attendance Concerns: East Sussex's Education Support, Behaviour and Attendance Service (ESBAS) have created a dedicated attendance helpline for any parents who have concerns about their child returning to school in September 2020 following the lockdown. Please call them on 01273 481967 between 1.00pm and 3.00pm on Tuesday and Thursday afternoons throughout August. Alternatively, you can email them on esbas@eastsussex.gov.uk

"It has been such a great pleasure to play a part in your children's education and lives over the last few years and to work with all the wonderful staff at Fletching. It has been such a rich experience and there are so many memories that I will take with me. It has been great to have been on the journey with the school through an Ofsted and fighting off the proposed closure. The school goes from strength to strength and I look forward to seeing the next steps.

As I am taking early retirement, Fletching may well be the last school that I work in and so therefore will always have a special place in my heart. I will miss coming to Fletching every day, but am looking forward to new experiences."

With very best wishes to all the Fletching Family!
Mrs Roberts

Dear Parents,

I am writing to thank you for your support and understanding over the last 4 months. It has been a challenging time for everyone and I know the staff have missed having all of the pupils in school. We are delighted that all pupils will be returning in September and we are working hard to ensure our curriculum will excite and inspire them as well as offering both academic and emotional well-being support for those that need it. I can't wait to see you all in September!

Have a wonderful summer - I do hope the sun shines for us all!

Gemma White
Executive Headteacher
